

**WILMINGTON/NEW HANOVER COUNTY AD HOC COMMITTEE
ON IMPROVING WORKFORCE/AFFORDABLE HOUSING**

Number of Members: 14 members residing in New Hanover County
 7 members chosen by County Commissioners
 7 members chosen by Wilmington City Council

Established: On January 19, 2016, the Wilmington City Council adopted a resolution to establish a joint city/county ad hoc committee to study and make recommendations on how best to improve workforce/affordable housing in the region. New Hanover County Board of Commissioners adopted its resolution on April 18, 2016. Members were appointed at the meeting on June 20, 2016.

Brief on the functions: The purpose of the City/County Ad hoc Committee is to conduct a comprehensive examination of workforce/affordable housing efforts, along with the demand for and supply of such housing, and recommended “best practices” that would be most appropriate to improve and increase the stock of available workforce housing in this region. The work should take approximately six months concluding with a report on recommendations to the Board and Council.
