Statute or cause creating Authority: General Statutes 161A. Wilmington-New Hanover County Water and Sewer Authority established in 1970 to meet the needs of local governments and industry. Name changed in 1972 to the Lower Cape Fear Water and Sewer Authority in and became a regional.

Brief on Functions: The Lower Cape Fear Water & Sewer Authority is responsible for providing wholesale regional raw water supply services to local governments and industry within its five-county service area comprised of Bladen, Brunswick, Columbus, New Hanover, and Pender Counties. The Lower Cape Fear Water & Sewer Authority is a self-supporting agency that depends on customer rates and fees to support its operations. The Authority is a non-profit public agency organized under the provisions of the NC Water and Sewer Authorities Act.

Purpose: Under the Enabling Legislation, the Authority is authorized, among other things, to construct and operate water and sewer systems located within its service area. The Authority may issue revenue bonds and fix and collect rates, fees and charges for services furnished by any water and sewer system operated by the Authority. Its purpose is to provide a reliable and dependable surface water supply as cost-effective as possible through economy of scale while operating on sound fiscal and utility principles.
