                  Conference Room #500, at the New Hanover County Government Center, 230 Government
                  Center Drive, Wilmington, NC.

Statute or cause creating Commission:  County Commissioners endorsed the formation of
                                             this Commission on 12/16/1974. (Minute Book 16, page 67) The County Commissioners
                                             assigned the Commission the responsibility of studying and preparing recommendations for the
                                             best use of the Room Occupancy Tax Funds to be presented to them for approval. The
                                             Commissioners expanded the membership by adding a Kure Beach representative on 4/16/1984
                                             (Minute Book 19). Furthermore, the Commissioners added a member of the NC Shore & Beach
                                             Preservation on 5/16/2005, County Finance Director as special appointee on 2/16/2004, and the
                                             Figure 8 Homeowners Association president or designee as an ex-officio member on 7/1/2013.

Purpose of Commission:  To investigate, initiate, and support general water resource
                        development projects to include but not limited to:

                        1.  Port, waterway and river improvements supporting the shipping industry;
                        2.  Beach nourishment and conservation in conjunction with inlet management; and
                        3.  Water resource development projects that will serve industry; encourage tourism;
                            commercial/charter fishing; recreational boating and mitigate the threats of storms and
                            flooding

Brief on Functions:  The Commission will cooperate closely with the U.S. Corps of Engineers,
                    the N.C. Division of Water Resources and other federal and state agencies in the pursuit of
                    projects that may benefit our community. The Commission will also work with elected officials
                    including federal and state officials and such groups as the NC Water Resources Congress and
                    NCBIWA in order to obtain support, approval, and funding as appropriate. The Commission
                    will pursue these projects with full consideration of potential environmental effects. Finally, the
                    Commission will make every effort to fully inform and provide recommendations to the County
                    Commissioners, Wilmington City Council, and Beach Town Councils.
